CHALLENGER MULTI SLIM LITE LIFEJACKET

OCEAN SAFETY®

Ocean Safety,
Saxon Wharf,
Lower York Street,
Southampton,
SO14 5QF, UK.

www.oceansafety.com

This lifejacket has been designed for specialist applications such as parachutist operations yet easily fulfils other multirole uses in all geographical areas of extreme and adverse climates. The low profile design ensures the lifejacket remains comfortable and unrestrictive when worn and comes in a compact military green velcro valise. The design comprises of an inflatable bladder with high visibility reflective patches, an extremely compact outer velcro valise, adjustable webbing harness and gas inflation system, which is activated manually and backed up by a top up/deflate oral tube.
