www.oceansafety.com

KEY FEATURES

- Neoprene comfort collar
- Low profile unrestricted design
- Quick burst YKK zip
- Adjustable webbing strap for tailored fit
- United Moulders inflation system
- Harness version available
- Stainless steel D ring with 2/3 bar closure (harness version only)
- High visibility stitch design
- Interlock bladder with wave barrier technology
- Whistle
- 33g cylinder
- Crotch strap for additional security

WAVE BARRIER TECHNOLOGY

- Wave Barrier technology delivers sub five second super-fast turn speed.
- The wearer is placed on their back keeping airways raised above water.
- The interlocking bladder blocks the flow of water into the wearers airways, massively reducing the risk of secondary drowning.
