Donning Instructions

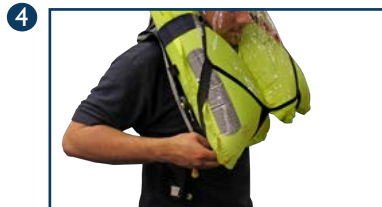

1 Compact and lightweight sprayhood pouch is attached to the side of the lifejacket webbing strap.

2 Pull the toggle firmly to release the sprayhood from the pouch.

3 Place the sprayhood over your head and pull both sides of the elastic over the inflated bladder.

4 Tuck the elastic under the bottom of the inflated bladder to secure.

The Ocean Safety Universal Sprayhood's compact and lightweight pouch is designed to be attached to the side of the lifejacket webbing strap. This easy to fit universal sprayhood aims to prevent spray inhalation and is designed to fit all Ocean Safety lifejackets.

KEY FEATURES

- Compact pouch attaches to lifejacket waistbelt
- High visibility toggle for quick release
- Elasticated for secure fit to lifejacket bladder
- Reduces spray inhalation
- Increases wearer visibility
- ISO 12402-8 approved
