**OCEAN SAFETY®**

Ocean Safety,  
Saxon Wharf,  
Lower York Street,  
Southampton,  
SO14 5QF, UK.

[www.oceansafety.com](http://www.oceansafety.com)

The Marine 15 EEBD is a self-contained, short duration, chemical oxygen (O<sub>2</sub>) breathing apparatus. It provides a supply of fresh oxygen so that the wearer can breathe freely in a contaminated or oxygen deficient environment, ensuring a quick and safe escape.

The Marine 15 EEBD provides a:

- 15 minutes duration for escape
- 60 minutes duration at rest

And is contained in an orange, rigid case, that is discarded once it is in use.

## Marine 15 EEBD

Face shield

Nose clip and mouthpiece

KO<sub>2</sub> oxygen generator (inside bag)

O<sub>2</sub> starter (inside bag)

Pressure relief valve
