

OCEAN SAFETY CHALLENGER SOLAS INTERLOCK 275N

The SOLAS approved Ocean Safety Interlock 275N lifejacket has been designed for use as a combined working/ abandonment lifejacket.

This lifejacket is incredibly lightweight and comfortable to wear whilst its design gives excellent neck and head support which is particularly vital for an unconscious user. With 300N buoyancy performance the lifejacket is designed to be worn when the user is wearing heavy duty clothing or with an abandonment suit, where it guarantees to self-right the wearer in less than 5 seconds.
