

JON BUOY INFLATABLE RESCUE SLING

The Jon Buoy Inflatable Rescue Sling is specifically designed for the quick and easy recovery of a waterborne casualty.

Packed neatly into an easily stowable soft case, the versatile fitting allows it to be packed into any suitable boat or land-based fixture. The weight of the pouch allows for an accurate throw to the casualty of up to 36 metres. Upon contact with the water, the sling automatically inflates. An automatic light is an optional extra that can be fitted.
